

AUTOMOTIVE

Car Parts/Materials

Bits and pieces of metal parts, bars, turnings, rods, sheets, wire or metal pieces that may be combined together with bolts or soldering can be recycled.

Larger automotive parts are **bulk material** and may be eligible for pick-up .

- **Waste Management**

800-972-4545 ("0" for Customer Service)

Accepts MasterCard, Visa, and Debit

- **LowellRecycle.org » Bulky Item Collection**

Auto batteries

Auto batteries may be disposed of through Lowell CHaRM and Household Hazardous Waste drop-off events.

(continue above right)

Car Seats/Boosters

Car seats and boosters should be donated. All seats must be clean and in working order. Seats and boosters must be purchased within the last 6 six years and not involved in car accident. (see donation options to right)

Broken and expired seats should **not** be donated or re-used. Consider breaking down recyclable materials and separating into recycle and trash bin for disposal.

For information on event dates visit:

- **LowellRecycle.org » CHaRM**
» HHWD

The following retailers may also accept auto batteries for recycling:

- AutoZone
- O'Reily's Auto Parts
- Advance Auto

Tires†

Tires may be disposed of through bulky item collection or CHaRM drop-off event. Must be off rim and require disposal **fee** \$10 each.
